

California Proposition 65 Declaration

Dear Valued Customers,

California's Safe Drinking Water & Toxic Enforcement Act of 1986, commonly known as Proposition 65, establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

This Declaration is to inform PendoTECH customers that items produced by PendoTECH do not contain chemicals which are listed on the California's Safe Drinking Water & Toxic Enforcement Act of 1986.

The Prop 65 chemical list can be found at:

Be assured PendoTECH will continue to monitor Prop 65 regulations for any new chemicals. PendoTECH will compare any newly listed chemicals with raw materials in our finished products and communicate this information to our customers.

Sincerely
